

BAD PEOPLE & STRANGERS WILL LIE TO YOU !

Strangers shouldn't be talking to children. Strangers will tell you they will hurt your mom, your family. They have puppies, candy and video games. They will tell you that your parent is hurt and in the hospital and they were sent to pick you up!

RUN FROM A STRANGER TRYING TO TALK TO YOU, NEVER GO NEAR A VEHICLE PULLING OVER TO TALK TO YOU.

**POKE THE EYES
BITE THE NOSE
PUNCH THE THROAT**

**YELL ! FIGHT ! YELL !
FIGHT ! YELL !**

"This is a stranger, call the police, they are trying to take me, this is not my parent!"

Realistic Tips For Kids

Parents these could save your child's life one day and give them a fighting chance. Please talk to your children about these tips often. You can also go to our site to learn about other scenarios and safety information.

If a stranger picks you up to carry you away ...

- **WIGGLE - KICK**
- **PUNCH - POKE**
- **BITE - WIGGLE**

If someone tries to pull you in a car and you can't reach the face, wrap yourself around the leg of the stranger sitting on their foot and don't let go!

**DO NOT get in that car....
RUN • FIGHT • ESCAPE !**
